2018 October Report

Mission of your Committee Here

To provide annual training to all fire marshals across Texas.

2018 Annual Meeting Report Update

Update as of Oct. 12

28 – Vendors/Sponsor
11 – Non-profit Vendors
260 -- Attendees

Conference software purchased worked well. The only issues was that numerous people registered twice, creating some administrative work. Name tags were easily printed, and certificates will automatically be emailed to attendees upon completion. Any persons who registered and paid twice, were refunded.

Attendees will be scanned once per class to receive credit.

Conference Items Purchased – *Full Accounting will be provided at conclusion of conference*
