

Texas Fire Marshal's Association

MEMBERSHIP/ OUTREACH/ DEVELOPMENT

2018 October Report

MEMBERSHIP/ OUTREACH/ DEVELOPMENT

Plans and develops membership outreach and growth strategies from within the Texas fire service,

Keeps track and updates documents and maps pertaining to membership density by pre-determined geographical boundaries, county FM membership, municipal FM membership, University Membership,

Plans and develops strategies to gain members from groups outside of FM, such as code and technical, industry, etc. Makes reports at semiannual meetings.

2018 Annual Meeting Report Update

The membership / outreach /development committee has been active across the State over the past year advertising the Texas Fire Marshal's Association (TXFMA). In January 2018, The North Texas Fire Marshal's Conference (NTFMC) in Richardson reached out to 250 attendees about TXFMA and will continue advertising TXFMA at the upcoming North Texas Fire Marshal's Conference January 29-31, 2019. TXFMA supported other the Associations by providing a free registration to the State Fire Marshal's Conference in Austin 2018 through the Charity Raffle.

The Texas Department of Insurance, State Fire Marshal's Office continues to advertise the TXFMA Conference and any other training supported by the Association.

Membership and outreach also continues to be advertised to the University Officials and County Fire Marshal's throughout the year.

Membership continues to grow.
